

SPECIAL PROVISION

**REVISIONS TO STANDARD SPECIFICATION 615 –
PILING**

615-3.1 CONSTRUCTION REQUIREMENTS

Add the following paragraph to Article 615-3.12:

The Contractor shall replace and/or repair damaged sensors, cables, **PDA-PAK** and any other accessory required to perform PDA up to an amount of **four thousand dollars (\$4,000)**, as a subsidiary obligation to piles pay items included in the proposal schedule. When the cost of repairs of the equipment is over **four thousand dollars (\$4,000)**, the amount in excess will be paid for on a force account basis.
