

Public Notice

The Department of Transportation and Public Works and the Puerto Rico Highway and Transportation Authority hereby notifies the availability of the Public Involvement Plan (PIP) of the Puerto Rico Metropolitan Planning Organization and the Unified Planning Work Program for Fiscal Years 2018-2019, Amendment 2.

The Public Involvement Plan guides the Puerto Rico Metropolitan Planning Organization (PRMPO) on when and how to engage the public and stakeholders in the transportation planning and programming process. The Policy Board Committees of the Puerto Rico Metropolitan Planning Organization approved the Public Involvement Plan in the meeting held on Tuesday, November 6, 2018.

The Unified Planning Work Program includes planning activities that are eligible to be financed with funds under Section 5303/5304 from the Federal Transit Administration (FTA). The document was approved by the FTA on Wednesday, October 10, 2018.

The documents are available in: <http://act.dtop.pr.gov/index.php/coordinacion-federal/>, at the municipalities Federal Program Offices and at:

Puerto Rico Highway and Transportation Authority
