public notice

Virtual Public Involvement
Project: Rehabilitation and Scour Mitigation of Bridge No. 574 over Santiago River
PR-971, KM 2.0, Naguabo, P.R.
AC-097111/ZP-971(1)

The Department of Transportation and Public Works, Puerto Rico Highway and Transportation Authority (PRHTA) and the Federal Highway Administration (FHWA) are notifying private organizations, state and federal government agencies, municipal entities and the public, of the availability of the video on the PRHTA website regarding the Rehabilitation and Scour Mitigation of Bridge No. 574 over Santiago River, located at PR-971, km. 2.0, in the municipality of Naguabo. The video can be accessed at: PRHTA web page http://act.dtop.pr.gov/. Also, through this link: https://youtu.be/SglX_OCvSxU and on the DTPW and Naguabo's city council Facebook .

The proposed project consists of the rehabilitation of bridge number 574 that includes the followig works: extension of the existing wingwall extension, scour protection to abutments and superstructure safety measures such guard rails, pavement marking and traffic sings. The purpose of the virtual presentation is to inform the public and agencies regarding the proposed project and maintenance of traffic during the project construction.

The video and hard copies of the presentation will be available for review and comment for a period of thirty (30) calendar days from the date of publication of this Notice. Copies may picked up at the Environmental Studies Office, 15 floor, Roberto Sánchez Vilella Government Center, South Tower, De Diego Avenue, Santurce and at the city Hall Ceiba Town Hall, located at Lauro Piñero Avenue on the corner with José T. Quiñones Street, Ceiba, Puerto Rico during business days and hours.

All interested parties are invited to send comments or recommendations to: prhta.design@dtop.pr.gov or to:
